Scholarship Fund
2008*

You can make a difference! Please contribute to the CSLHF Scholarship Fund in Betty's name. Two scholarships from the foundation are granted each year to qualified SLP applicants from the University of Colorado at Boulder and the University of Northern Colorado at Greeley who are completing their Masters in SLP-CCC or AUD in Audiology. We are asking you to contribute for the first... or second time... and sustain these needed scholarships for graduate level students or students that have been accepted at a graduate level in Colorado.

Please mail your donation now to:

P.S. Betty J. is a recent great-grandmother and is enjoying every minute of the new relationship in her life. She and Jan are planning a spring trip to Ireland...I didn't know Betty J. had Irish ancestry - did you? I don't think Jan does!

Please contribute to the future of our profession!
